

# Craftex Product Specification Sheet

## SCRUBEX 300:1300B

The Scrubex 300:1300B is a powerful ride-on scrubbing machine, designed for cleaning large areas.

This battery powered unit is equipped with a brush head made of four disk brushes, with adjustable pressure of up to 180kg, and a cylindrical, self-adjusting central brush, that collects small solid debris into a hopper. The combined scrubbing and sweeping system ensures higher quality cleaning, across the entire 1300mm working width. The scrubbing brush head extends out to the right, to reach the dirt that settles up against walls or underneath shelving.

### Solution Tank Capacity

300L

### Recovery Tank Capacity

360L

### Vacuum Motor

2100mbar | 2 x 36V

### Brushes

4 x disk (345mm)  
1 x cyl. (300 x 1106mm)

### Squeegee Width

1486mm

### Scrubbing Path

1300mm

### Machine Weight

840kg (exc. batteries)

### Machine Size

2355 x 1807 x 1486mm

### Performance

7800m<sup>2</sup>/hour

### Working Time

5 hours
