

Craftex Product Specification Sheet

CRAFTEX CONTOUR ORBITAL SINGLE DISK MACHINE

The Craftex Contour Orbital Single Disk machine is a new concept machine recommended for heavy duty works. It has an orbital movement that enhances the performances of a regular single disc machine.

The high frequency oscillations get stability and manoeuvrability even with a weight of 65kg. The particular orbital movement makes its use very easy for any operator to use. Equipped with a new handlebar reinforced with a steel support that improves manoeuvrability and reliability over time.

Suitable for heavy duty cleaning, stripping, crystallization, polishing and honing of marble, stone, cement and wood floors.

Drive

Direct

Voltage

100-120-220 / 50-60

Power

1100W

Working Width

430mm

Oscillations per minute

1400

Machine Weight

65kg

Brush Pressure

50kg

Wheels

200mm

Noise Level

62dB(A)

Hand Vibration Level

271m/s²

Machine Size (L x W x H)

700 x 493 x 1200mm

Optional Accessories

Nylon 0.8mm Brush

Pad Holder

Pad Holder for Sandpaper
