

Craftex Product Specification Sheet

CARPEX 35:400 DUAL

Professional, self-contained injection-extraction machine with patented "CLICK" system for ease of use. This unique machine has advanced technology enabling operation at only 60 decibels!

- Patented "CLICK" system enables the instant lowering of a transport wheel. This allows the operator to easily manoeuvre the machine to its next cleaning position thus reducing user fatigue
- Twin contra-rotating height adjustable brushes with individual • motors provide ultimate cleaning results in a single pass operation
- Adjustable water flow and high performance vacuum reduce drying times
- Supplied with hard floor squeegee: takes only seconds to convert this machine into a scrubber drier!
- Optional fishtail available allowing the Carpex 35:400 Dual to operate in a forwards motion.
