

Craftex Product Specification Sheet

JANITEX 14B

The complete system for the cleaning and sanitizing of 100-200m² furnished areas.

The Janitex 14B is a compact, multi-functional machine designed to effectively clean environments such as toilets, working areas, offices, walkways, store-rooms, changing rooms, café and restoration areas.

This machine caters for the cleaning and sanitizing of vertical surfaces, sanitary fixtures and hard floor, as well as stain removal and upholstery cleaning. No power-cord allows the operator convenience of use.
