

# Craftex Product Specification Sheet

## SCRUBEX 110:700R

The Scrubex 110:700R is a highly user-friendly scrubbing machine suitable for maintenance cleaning of surfaces up to 6000m<sup>2</sup>, allowing for a dramatic reduction in the cost of cleaning.

With one cylindrical brush and a working width of 690mm, the Scrubex 110:700R has a system that reduces waste and consumption.

The unit is equipped with an automatic working program selector which allows the user to choose from four pre-set working programs; once the most suitable program is selected, the cleaning operations perform automatically whilst the user only has to drive the unit.
